

Submitter: Joshua Eastin

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I work in downtown Portland, and the camping situation has become untenable. There are tents everywhere. They block public spaces, which restricts public access and harms people, especially people with disabilities, from enjoying their lives. Please do not further legalize and legitimize this terrible situation. Doing so will only reduce pressure on the city, county, and state to provide a comprehensive solution to address houselessness. Please vote against this horrible bill.
