

Submitter: Allen Young

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This utterly unhinged bill will see our state turned to ruin. I oppose it on the strongest terms. This will privatize public spaces; public spaces that we all contribute to for the good of the community. This bill will have unintended negative consequences that will last for years, allowing people to obtain and effectively own public space at the expense and detriment of the Oregonians that contribute to their maintenance. This bill must NOT pass.
