

Submitter: Michael McCusker

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is a TERRIBLE idea. Public spaces have been overrun by mentally ill drug addicts for years, and this bill will condone it. Bad enough that actual taxpayers can no longer enjoy the public amenities they pay for. But now you want to further hamstring police from enforcing the existing laws regarding proper public behavior? Stop with the virtue signaling and start cleaning up the mess that is being made on the daily.
