

Submitter: Russel Swalberg

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Not only is our state turning into a dump, but to now allow people to sue for being removed from public property is an outrageous misuse of public funds and opens it for more homeless individuals to move here and set up camp. There is no longer consequences for bad decisions here in oregon unless you are trying to succeed as a business owner or as a member of the middle class. We are the ones who have to pay to clean up the mess left behind and to no avail when the camp is back the next day. This is beyond reasonable!!!! Make it STOP!

Sincerely- Very frustrated voter from Multnomah county.
