Measure: HB3501

I have clients that no longer want to buy property in Portland. This bill is against the law of Real estate. Property owners have the law on there side this is a law in all of Oregon. It comes with ownership. It is called the bundle of rights. Look it up. If this bill is even though about there are attorneys I know that are waiting to jump in and start a mass action lawsuit. If you don't know what a mass action lawsuit is look it up or don't. They are preparing to gather clients already and the city, county and state will be names. This statement isn't a threat it is the truth. Looking forward to the outcome.
