

Submitter: Deborah Knapp
On Behalf Of:
Committee: Senate Committee On Rules
Measure: SJR33

Dear Committee Members; I oppose SJR 33 as it is wrong to attempt to enshrine in our constitution an intolerant political agenda. To seek to remove a parent's right to protect their own children is destructive and oppressive. To then include abortion, whether one considers it healthcare or not, is intemperate. This bill does not seek to protect equal rights, which we are born with and are inherent. This bill seeks to aggrandize an agenda to the detriment of families and their children. I sincerely hope you will rethink your public policies and agendas and vote no on this bill. Thank you for your time and attention.
