This is absolutely absurd! Why do I have to pay property tax and they don't. Why do I have homeless doing drugs in front of my house as they "camp" and be disruptive around my kids in our family home that we have worked hard for and own since 94. Don't get me started on the trash they leave outside for us to clean up!! Now this. Absolutely disgusting America disgusting! Our family in Europe are embarrassed for the country that we have become.
