Committee: House Committee On Housing and Homelessness

Measure: HB3501

HB3501 is outrageous. As a homeowner, taxpayer and voter I feel our government has deserted us. We get to pay for playgrounds and parks but our children will no longer be safe there. I have true empathy for the people who are not homeless by choice. I can only imagine the cost of feeding the thousands of campers who will flock to my once beautiful city.

I beg you to please not vote for this terrible bill.
