

Submitter: Karen Nguyen

On Behalf Of: Present and future generations

Committee: House Committee On Housing and Homelessness

Measure: HB3501

On behalf of people who pay high taxes to stay living in Portland, please prioritize our young generations future. They deserve to live in a healthy, safety environment. Do you want your children to grow up to think it's OK to drop out of school, do drug, and camp whenever or wherever they like to?

PLEASE RECONSIDER. PLEASE THINK ABOUT OUR YOUNGER GENERATIONS AND THEIR FUTURE. PLEASE STOP PEOPLE CAMPING ON STREETS AND ON THE PUBLIC LANDS.

Thank you.
