Committee: House Committee On Housing and Homelessness

Measure: HB3501

I have suffered for a long time and many times homeless people camped in my area and they broke the windshield of my car and my neighbors, they stole and vandalized everywhere, causing unsafety. born anywhere when they camp. Waste of taxpayers' money. Grandparents should find the right solution and don't turn the streets and parks into homeless people's homes. They should gather them to help in a safe and hygienic way.
