Measure: HB3501

I can't believe that anyone would support a bill so totally out of touch with reality. Mayor Wheeler is trying to move the homeless into safe shelters, and this bill negates those efforts. If people think Portland is a disgrace now, wait until this bill passes. The sidewalks would be impassable, city parks would unusable and unsafe. Downtown businesses would continue to flee in droves and we would be known as "Portland, the City Run by Loonies".
