Measure: SJR33

As a LGBTQ+ Oregonian, I feel it is necessary that my rights are protected and recognized fully under the Oregon Constitution. I am married in a state that, in plain language in its governing documents, does not recognize my marriage as valid. This is demoralizing and wrong. We should set an example for our kids and those that come next that we support their love, in whatever form it comes. Now is the right time to protect our rights so that we never have to live in fear that they may be stripped away.
