

Submitter: Jeff Cary

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

The public right of way belongs to all of us and is to be shared equally. It should not be appropriated by those that choose not to have a permanent residence. This also places an undue burdens on cities and other municipalities to accommodate these individuals who make no contribution to offset those burdens. I am vehemently opposed to this bill and can't see a prosperous future for Oregon where this is permitted.
