

Submitter: A B

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Allowing camping anywhere is not the answer, which is what this bill seems to allow if passed. I thought this was what cities like Portland were trying to improve on - finding safe, designated sites for camping, not having camps on the streets or along the freeways. It's been an improvement, too. This seems like going backwards.
