

Submitter: Randy Dodds

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill will do nothing but exacerbate Oregon's already out-of-control homeless problem. Further, with the number of homeless camping alongside public thoroughfares, this bill, which decriminalizes such activities, would actually further endanger those it ostensibly is meant to help. A bad bill that just gives Oregon taxpayers another reason to move to a state that actually takes its problems seriously and enforces laws on the books.
