

Submitter: Aimee Reichert

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SJR33

I am an LGBTQ resident in Lane County, a counselor to LGBTQ youth, and parent to a gender evolved child. This amendment is life saving. To be acknowledged is the basic human right that allows for diversity of thought and culture to thrive in our country. I sincerely hope this amendment moves forward and Oregon continues to shine as a safe welcoming inclusive community that protects ALL under the eyes of the law.
