Measure: HB3501

This is a horrible plan. The Metro area is already overrun with homeless people who have taken over the downtown Portland core and inner SE Portland areas with tents, trash, and litter. Tax payers have rights to be free of stepping over human waste and drug paraphernalia on sidewalks. This right to rest is one more was to destroy the urban metro area and make the Tri County area even more ran down and crime ridden than it already is. Enough is enough. CLEAN OUT THE HOMELESS CAMPS DAILY. There is no right to camp on public sidewalks and on the side of the road. Go to a shelter and abide by the rules of society like everyone else. We're sick of our city being overrun with trash, tents, crime and drugs.
