

Submitter: Rhonda Martini

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

- This is an extremely bad bill. Homeless encampments are adversely affecting the quality of life for residents of the state and are not providing a humane housing solution for homeless people. I feel like this would further destroy common public spaces. The sidewalks, parks other public spaces are meant to be used/enjoyed by everyone and not become homeless encampments.
