I am totally opposed on this bill. We would move out of Oregon if this proposal passed. Oregon has had an increasing crime rate in the recent years so enforcing this law could skyrocket the number of crime cases. And the matter would escalate to many Oregonians leaving the state due to exceptionally unsafe living status.

Moreover, letting tents up everywhere on the roads absolutely disturb businesses, houses, traffic as well as beauty of the cities. Consequently, not only residents move out but also less and less tourists visit Oregon. We definitely can not stand with this new proposal.
