On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Having lived near a large homeless encampment, I have been bullied, and harassed. Our local park was made unusable for children due to human waste, used syringes fires. I have witnessed open fires and active destruction of park property. Filth and criminal activity has increased. Do not allow public camping near schools, parks, playgrounds.

More lawlessness will lead to a diminished quality of life for all. Those who have the means will leave Portland. Portland will lose its upstanding citizens, then its tax base and spiral into more of a dystopian shit hole. Shelters yes. Public camping no. Oppose HB3501.
