

Submitter: Bill Leineweber

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is a slap to the face of homeowners, local businesses, and all property owners who have invested their time and money to make Oregon a clean, safe, and valuable living space. Voting to support this bill is irresponsible and a clear statement that our representatives do not have in mind the best interests of those constituents who promote livability and progress in Oregon.
