Measure: HB3501

This is a delusional bill, these people do not need to rest, they are resting on the backs of our tax dollars that are being foolishly spent to “support” homelessness. If you ask anyone who is close to the homeless camp issue these people are selling, using, abusing drugs and terrorizing our neighborhoods with their drug-fueled unpredictable behavior. All you have to do is look at the national news to find a story everyday about the insanity that is taking over our cities in oregon because of the consequences of unchecked homelessness in oregon. This is a lie, this will ruin our state and the livability we have all paid dearly for. This must not pass, you are not representing your constituents.
