

Submitter: Susan Hannibal

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This measure does not HELP homelessness!

Business is practically dead in Portland. We need common sense decisions. House people in facilities prepared for them whether they choose to go or not. The drug dealers will disappear. Hopefully people will get the true help needed.

Choice: go to provided facilities or use law on the books for jail. Public space is no way to live for anybody. Vote decidedly NO.
