Many of our Supreme Court, Appellate Court, Circuit Court and Tax Court Judges have left very successful public and private law practices to dawn the black robes.

We all owe a sincere debt of gratitude to those Attorneys who have sacrificed lucrative careers to uphold the law.

Whereas, [SB 233] will begin to right the financial harm state court judges endure, the Tax Court Judges are going to see their calendars grow via [HB 2576 A (2023)] as seen below.

\*\*\*I sincerely appreciate OREGON TAX COURT JUDGE ROBERT MANICKE's testimony as seen below:

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/PublicTestimonyDocument/42790>

[HB 2576] appears to shift all Income Tax disputes to the Tax Court. The Magistrate Court will be impacted with more cases when people in a select income bracket (such as Portland, Metro and Multnomah County), are fed up with paying a discriminatory Income Tax. No one else below the select income bracket has to pay the Income Tax to support the Homeless projects and Preschool for all in the aforementioned jurisdictions.

**Thank-you state court judges for you dutiful service to Oregon and to preserving the Law!**
