

Submitter: James Pedersen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

HB3501, as written, is a disaster waiting to happen. Allowing unlimited camping in any public area will only serve to make parks, schools, libraries, and any public space with a field, parking lot, or covered shelter a homeless encampment. This change in use will prevent the rest of the public from using those spaces in their intended manner. As these spaces are funded by taxpayers, this bill should be up for public vote.
