

Submitter: Kent Schmidt

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

YES, please pass this! This will be the impetus needed to push the Greater Idaho initiative forward and allow the REAL victims of liberal madness (Oregon conservatives) to be annexed to Idaho and find sanity in local government once again, while Portland and other communities in what's left of Oregon will be able to grow the homeless population in public places! It's a win/win!

Respectfully yours
