

Submitter: Karen Downer

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly encourage you to oppose this bill. This will not solve the homeless crisis. It will create a more unsafe environment for the community. Let's look at the root cause of what causes homelessness and put the emphasis there, such as fatherless homes, broken marriages, child Abuse, drug and alcohol abuse, poor education system in Oregon, etc.
