Measure: HB3501

I do not support any bill that would cede our public spaces to anyone who wishes go occupy them. Public camping prevents the majority of people from using our public spaces for the benefit of a tiny minority. Additionally, I fully oppose any bill that utilizes the Texas style of lawsuits to enforce an administrative rule. The legislature knows that it would be unconstitutional to impose penalties on speech asking campers to leave, so they seek to use a workaround by allowing lawsuits. Fully opposed
