Committee: House Committee On Housing and Homelessness

Measure: HB3501

Dont encourage this kind of behavior We did not have this problem in the 70s when I moved here. Drugs and alcohol are the problem. You keep feeding this behavior and the rest of us suffer with stealing and personal harm. Every one I know wants to move to another state. You discourage this behavior from this small group of people for the rest that want to use bike trails, be proud of there city and live by the rules
