

Submitter: Josh Gold

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

HB 3501 is well-intentioned. On the other hand, we've already seen the disaster that happens when we encourage public camping and hand out thousands upon thousands of tents.

Save our cities. Save our state!

Littering

Environmental damage to parks

Blocked sidewalks (ADA violation, lawsuit already pending against PDX)

Loss of businesses and jobs for working class people (i.e. Downtown Portland)

People using our sidewalks & parks as toilets

Campgrounds are for camping, and public spaces are not.

Save our cities, save our states. Stop HB 3501.
