Committee: House Committee On Housing and Homelessness

Measure: HB3501

I have lived in southern Oregon for the past 43 years. I used to love Southern Oregon but now it's a disgrace and embarrassing. I travel the entire country with my job and have only seen a few places worse than Medford as far as homelessness. All of which are not visible from the interstate. This place has to be cleaned up and moving homeless to any public place is just crazy and is going to drive people and tourists out of southern Oregon. Please do not pass a bill like this, it's dangerous to our community and to honest working families.
