Measure: HB3501

STOP!!!!!!! We have devoted so much taxpayer dollars to providing shelter to the homeless. While it is taking awhile, it is not ok to allow camping/loitering anywhere people want to. This is getting completely ridiculous. Our once beautiful and friendly city has turned into a garbage dump, drug ridden, camp anywhere, out of control mess. Yes we need solutions which you say you are doing. Now END public camping anywhere that isn't a camp ground. Provide camping locations with services.

It's time for us to reclaim our beautiful city.

Our parks and public spaces are for everyone to share. Yes. But not for everyone to live in.
