

Submitter: Terri Edwards

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This proposed bill is nothing more than a distraction from the real issue. This will NOT fix anything but only make matters worse for residents who are already at their wit's end with the plagues of drugs and crime. Giving the unhoused the option to actually sue taxpaying citizens for wanting to have a safe sidewalk outside of their home is outrageous.
