

Submitter: F Voter

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

It's outrageous that such a bill was ever proposed. Whoever wrote it has let power go to their head and is completely disregarding the fact that taxpaying voters are paying their salary. It's such a slap in the face of hard working voters! What are you doing? You want to enable the people who do not want to work to sue us who are PAYING for all the public spaces and their maintenance? There are more and more people who are moving out of this former beautiful state because of your stupid liberal and progressive policies! ABSOLUTELY NO to this bill!!!
