

Submitter: Carol Howard

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am all for helping people who need help but supporting drug addicts and people who do NOTHING to help themselves and blame it all in mental illnesses, well I've had enough. Allowing the homeless to squat anywhere on public property will leave you with a state with nothing but homeless!

I work my ass off to afford the things I have and to have people defecating any where they choose, well I've had enough. I can't believe a bill like this would even be thought of! I'm sure you don't want the homeless taking over the city streets.  
ENOUGH!
