Measure: HB3501

So the first time it didn't work and now you want to bring it back? Whose moronic idea is this? I'm fed up with the corrupted dems who keep trying to push their agenda in this state to further their careers and job security for themselves. Keep doing dumb shit like this to drive away tax payers and bring in homeless from other states that DON'T pay your salaries, genius. Why don't you open your homes to the homeless then if you care so much for them? Why am I paying sky high property tax to have you idiots allow Crack-heads and trespassers camp in my yard and dump their shit on my lawn?!
