

Submitter: Robert Kohler

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This Bill is an outrageous, one-sided grab of the rights of the vast majority of the citizens of Oregon. Why should we give up our rights to a clean and safe environment and give such one-sided power to a group of people who want to squat? While some of the homeless are dealing with legitimate financial issues, many are drug users and mentally ill. This bill gives those people the right to invade our cities and upset our society.

Make note that every single legislator that votes in favor of this bill will be noted and voted against in the next election.
