

Submitter: David Hoffman

On Behalf Of: Minority Small Business

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Truly disappointed by HB 3501 effort to ignore the dangers of having our customers on Foster step over needles and human waste in an effort to avoid confrontation with a homeless "resting" site. Can't believe how tone-deaf both our city and state leaders chose to be and how this bill will do nothing humane to change things.
