

Submitter: Ronald Lewis

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose this bill because it will give homeless the right to fill up campgrounds without paying and they won't be able to be removed. They could also be able to camp in front of residences and home owners will have no recourse. If they camp in front of businesses customers will be afraid to frequent those businesses. All cities in Oregon will end up like Portland, with high crime rates and businesses leaving.
