Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose HB 3501 as a hardworking, tax paying, compassionate, respectful, lifelong Oregonian and giving Christian. Our state government continues to enable, support and encourage the houseless/homeless chosen lifestyle. As a volunteer in shelters, in the past, this is their choice for over 80% of the homeless. We need to find those individuals who really want a better life and assist them with a hand up not a handout. Thank you and please vote NO out of respect for me, my family and fellow Oregonians.
