

Submitter: Sonia Morin

On Behalf
Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure: HB2410

I have lived in this area my whole life. I've seen it at its best and at its worst. I raised three kids here with very little for them to do in our own town. Shop Ontario first signs were hung but where to shop? What to do? We need a safe place for the youth to be able to go and have fun, hang out, meet new people and learn to be in a social setting with others.
