

Submitter: Evelyn King

On Behalf Of: Self

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Fully support, but the homeless do need to be respectful of neighborhoods. Please apply a time limit to allow time for services or the economy to recover so that tent cities can be abandoned. Also need to clarify illegal activities will be addressed. Would also like to see trash services when an area has more than 3 tents, but please provide trash bags to keep the trash where it belongs.

Thank you
