Committee: House Committee On Housing and Homelessness

Measure: HB3501

As a law abiding citizen, tax payer, and home owner; I do not support this bill in anyway, shape, or form. Our homeless have destroyed our cities. This would give them free reign to camp on or near schools were children are. This bill can not pass. As far as suing for harassment, that's uncalled for as well. I pay my taxes, work to get what I have, and I will not allow someone to destroy what is mine.
