

Submitter: Loretta Johnson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I cannot believe this is even being discussed for Oregon, since at least parts of Oregon have been taken over by homeless people, making public places that I have paid for with my tax dollars, no longer safe for use by citizens of Oregon. If you were to pass this insane proposed bill, it would create a shield that would allow homeless people basically free reign over our state. Please do not pass this bill.
