

Submitter: TIMOTHY HENWOOD

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

You people have lost your minds. It is that simple. This law if passed it will make matters FAR WORSE than they already are now. My disgust with your feeble and toxic "solution" is almost beyond words. Your continuance to enable drug addiction (what you call camping) will leave a black mark on this state for decades. Shame on all of you!
