Committee: House Committee On Housing and Homelessness

Measure: HB3501

Hello I'm writing this testimony in regards of HB 3501.

I live in Medford Oregon. The people of Jackson County already live in fear during the summer because of what happened in September of 2020 the Alameda fire that burned down the city of Phoenix and Ashland. The fires was started by the homeless people who live on the Greenway. A lot of us had no where to go.

I have no where to go if it happens again. There is fire of the Greenway at lease 3 to 4 time a week, yesterday there was 2 in 1 day. Summers are horrible because there a fire usually every day sometimes 3 a day.

If HB 3501 passes Jackson and Josephine County will be doomed. There is a lot of that like to move out town but we can't afford to move, We shouldn't have to move And we shouldn't have to live in fear either.

Please Do Not Pass HB 3501. Thank you Jennifer Houck
