Measure: HB3501

As a resident of the city of Portland, Multnomah County and employee located downtown Portland I am concerned for HB 3501. We need to clean up the downtown area and provide incentive and change for both residents and employers to want to come back downtown. We have had similar circumstances this past 5 years plus and it clearly isn't working. We are losing people, jobs and just overall community. This measure further promotes roadblocks to finding long term solutions.
