

Submitter: Deborah McCune
On Behalf Of: Oregon State Fair and Expo Center
Committee: Joint Committee On Ways and Means
Measure: SB5506

Joint Committee on Ways and Means,

I'm writing in support of the Oregon Sate Fair and Expo Center. The OSFEC is an important asset not only to Salem, Marion and Polk county but the entire state of Oregon. The proposed capital improvements are necessary to keep the venue viable for future generations.
