On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure: SB5506

Dear Members of the Joint Ways and Means Committee,
Please fully fund SB5506, the budget bill, to address the threat to our lives and those of our children whose safety and health are at risk. Legislation must be enacted to leverage newly available federal funding to address our climate crisis. SB530, SB522, and HB2998 must pass to strengthen and modernize Oregon's climate goals, create jobs, and store more carbon on Oregon's working and national lands.
Thank you for your work,
Laurie Moses
