Position of Support  
Behalf of La Clinica Acute Care Clinic

The La Clinica Acute Care Clinic will be a unique asset to the Rogue Valley community. Major health care providers are curtailing their urgent care services, compounding the problem. Without access to urgent care folks turn to EMERGENCY ROOM facilities with issues that are better treated and at a lower cost at URGENT CARE. I ask that you support this important initiative that will provide essential and needed services to the Rogue Valley.

Respectfully,  
Mary Sinclair
